

ASSEMBLY BILL

No. 1772

Introduced by Assembly Member Buchanan

February 17, 2012

An act to amend Section 48414 of the Education Code, relating to pupil instruction.

LEGISLATIVE COUNSEL'S DIGEST

AB 1772, as introduced, Buchanan. Pupil instruction: compulsory education.

Existing law requires any person 16 or 17 years of age who is exempt from compulsory continuation attendance laws, as specified, be permitted by the governing board of the school district in which he resides to reenroll in the district, without prejudice, as if he had never taken advantage of the exemption. Existing law also provides that if such person subsequently again terminates enrollment on the basis of the same exemption, the district may deny him reenrollment until the beginning of the next semester in the district's academic year.

This bill would make technical, nonsubstantive changes to those provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
